

2019 Standard Craft

STRYDA 600C

Stryda Marine is a passionate marine craft and amphibious boat builder with emphasis on smart engineering. We focus not only on what we make but how it's made. We use the latest technology in the industry to achieve a class-leading, easy boating amphibious power cat that will last in a harsh marine environment. Skilled craftsmanship, advanced technology and collaboration with Stimson Yacht Naval Architect Design has resulted in an amphibious power cat with performance, comfort and safety.

Standard Craft Features:

– Honda BF225	– Sarca 6kg anchor
